## REPORT ON INTERNAL AUDITING PROCEDURES

To the Finance Committee and Management  
Sisters Health Foundation  
Parkersburg, West Virginia

We have performed the procedures enumerated in Appendix A, which were agreed to by the Finance Committee and Management of Sisters Health Foundation (the Foundation), solely to assist you with respect to completing certain internal monitoring responsibilities to be performed for the 24-month period ended June 30, 2021. The Foundation's management is responsible for the accounting records and transactions. The sufficiency of these procedures is solely the responsibility of those parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described in Appendix A either for the purpose for which this report has been requested or for any other purpose.

The procedures performed are included in Appendix A. The results of our findings are summarized in the attached Findings and Management's Response.

Our procedures were conducted in accordance with the American Institute of Certified Public Accountants' Statements on Standards for Consulting Engagements. We were not engaged to, and did not, conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the accounting records and transactions. Accordingly, we do not express such an opinion or conclusion. In addition, these procedures do not constitute an audit or a review of financial statements or any part thereof, the objective of which is the expression of an opinion or conclusion on the financial statements or any part thereof. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the Finance Committee, Board of Directors, and Management of Sisters Health Foundation and is not intended to be, and should not be, used by anyone other than these specified parties.
